VENI VIDI AMAVI

(I came. I saw. I loved.)

What started six years ago as my tribute to the great state of Maine and a creative outlet for my heart rock collection (LRM 1 on page 7) is now a series of nearly two hundred works of art which convey love in a wide variety of sentiments. The evolution has been inspiring, challenging and always rewarding.

Throughout this journey, love has been ever present – in bits of food, in unexpected places, in nature, and in more and more love rocks (around 700 now!). If you've been part of this journey, my *heartfelt thanks* to you for helping me achieve the SBA Award for Maine & New England's Home-Based Business of the Year in 2016. If you're a new retailer, I'm delighted to grow our businesses together.

What's next?

The sky's limit!

I'm actively seeking a partner who shares my vision to expand into other product lines, especially the Home Décor market. I've focus-group tested several product prototypes such as rugs, pillows, and shower curtains and the response was overwhelmingly positive. I do have a 'domestically produced' stipulation as well as the desire to give back to beach/ocean conservation groups as a way to honor my 'gifts with heart' and the beautiful coastlines where they have been collected.

Here's to the next chapter of this journey!

Lots of love,

Ellen Thayer
